

Please note, this list includes any party which may have access to any data held by the RMIF, including agents and service providers which are specific to RMIF (and association) staff and employees - these parties would have no access to Member/customer information.

Third parties are only provided with, or given access to, specific and relevant data which is pertinent and necessary to their service, for example a payroll provider must be provided with staff information to enable that service, a website hosting company will access a certain amount of data whilst providing that support, and our business partners are only provided with information when a Member/customer has specifically requested that we do so.

*** Denotes parties which are only provided with data at the specific request of the Member/customer and in that event, they are only provided with sufficient information in order to be able to fulfil the Member/customer enquiry or request**

RMI/ALL
